

## **2022 True Life Vision Message**

**-Ephesians 3:20-21 and needs in the world right now (If not now, when? If not me, who?)**

**-Matthew 28:18-20 and expound the Great Commission**

-Mission Statement

-Core Value: “We impact the world through multiplication. We train the next generation, equip pastors and missionaries, and plant churches in the United States and the world.”

How do we do this at True Life?

### **1. Our worship services with the online sharing of them (Hebrews 10:24-25)**

-Talk about the priority of giving God the first fruits of our week in corporate worship; our need to be together and minister to one another; but the fact that we are also sharing the gospel with unbelievers and the importance of prayer, loving people, and making people feel welcome; we don't believe online takes the place of being together but it is as important as outreach; the need for people to work in that area

### **2. Each of us personally fulfilling the Great Commission**

-Personal evangelism (Who's Your One?) [Matthew 4:19]

-Organic discipling [2 Timothy 2:2]

-Letting the light of Jesus shine in our sphere of influence [Matthew 5:16]

### **3. Small Groups (Acts 2:46)**

-Explain small groups

-Mention CR, Wednesday night classes and youth group, special discipleship classes

### **4. Ministering to the next generation (Judges 2:10)**

-Children's Ministry

-The Crucible

-The Forge

### **5. Missions (Romans 1:5)**

-Serve our community

-Local church plants

-Honduras

-Uganda

-An unreached people group

**The goal of this is:**

1. Reaching our community and increasing in quantity and quality of disciples
2. The byproduct of this will be growth that necessitates adding a third service, adding staff, and eventually building, which we need to be taking initial steps toward (show site plans). Our philosophy is to reach our community and grow here AND plant churches simultaneously.
3. Increasing what we are doing in missions and planting more churches.

**What's your next step?**
